### **Topics for Discussion:**

#### **1 - Review the Whippi Dip**

Great job on the Whippi Dip ! EVERYBODY! Gals down at the Coffee Joint -super with Mark Brewer. It's so nice to know that you were organized and persistent in questioning Mark Brewer. We were rolling at the Whippi Dip - lots of honks, cool signs, flag waving, we made a statement. And thanks to Molly, Ariel, Angelina, and Tyler at the Country Club - leaving flyers and getting signatures. You made people aware of the issue as they went into their biggest fundraiser of the year. Saturday was a total team effort.

#### **2 - Petitions**

Petitions need to be turned in this week - so that we can take the total to DC. Everybody who has a partially completed petition needs to fill em up and get em in. Do the best you can to get a couple more.

#### **3- Podcasts**

Angelina, Molly, Tyler, Autumn, and Ariel. We need to get those podcasts done soon, this week. Come in before or after school.

#### **4 - Muskegon Chronicle**

The Muskegon Chronicle will do a podcast on our group. They asked that we choose two people to be interviewed - we voted overwhelmingly to have Corey and Angelina represent us.

#### **5 - May 1 Mayfest**

T-shirts should be in by Friday May 1 for May Fest. Don't forget everybody to get with Dani for a patch

#### **6 - May 17 - Demos in**

Two big events on May 17 - 1 - Relay for Life. 2 - Protest in GR. More info next week.
